

PIANA *comfort*

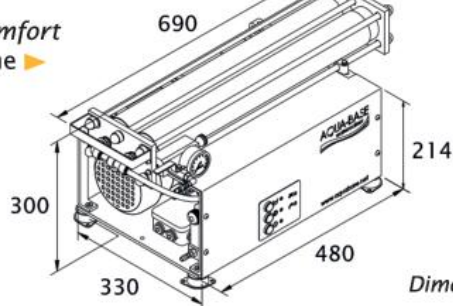

30 L/h to 90 L/h

Very compact watermakers specifically designed for small boats where available energy and space are limited.

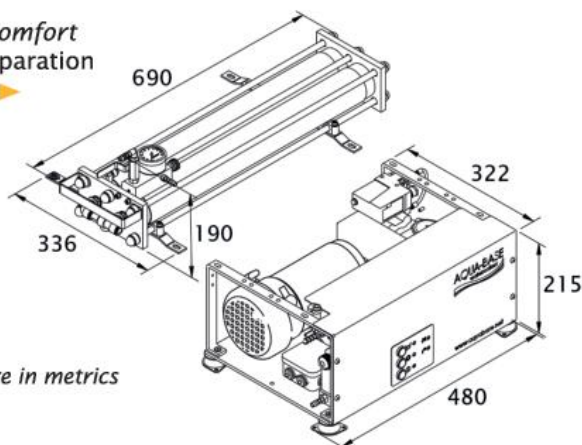

Options : Auto flush, remote control, membrane separation.

Piana *comfort* in a frame ▶

Piana *comfort* with separation option ▶

Dimensions are in metrics

Capacity	Model	Voltage		Consumption	Weight
		Battery	Single phase		
30 L/h	PIANA 30 <i>comfort</i>	12 V	-	31 A	34 kg
		24 V	-	25 A	36 kg
		-	230 V	1 Kw	38 kg
50 L/h	PIANA 50 <i>comfort</i>	12 V	-	31 A	40 kg
60 L/h	PIANA 60 <i>comfort</i>	24 V	-	25 A	42 kg
		-	230 V	1 Kw	44 kg
90 L/h	PIANA 90 <i>comfort</i>	-	230 V	1 Kw	50 kg

Rated performances ± 10% using standard seawater, with 35 g/L salinity and temperature at 25° C.
